

## **Report from the Activities Judges Sub-Group meeting held on 16<sup>th</sup> October 2025**

Rachel Bradley

Unfortunately I was unable to attend the meeting so Rally's agenda item regarding how to progress judge's training in light of the continued delay to a Rally Academy Film was deferred until the April meeting.

### **Relevant Items from the Minutes are:**

#### **Accredited Trainers**

It was confirmed that Claire Coughlan had resigned as an Accredited Trainer.

#### **Recruiting of Additional Accredited Trainers**

There was a discussion on whether additional accredited trainers were required to replace those who had resigned in other activities.

*Note: The opinions of the Rally Accredited Trainers will be sought then fed back in April.*

#### **Show/Trial Management Seminars**

The possibility of running seminars to support individuals involved in running shows/trials was discussed. The importance of Chief Stewards was also discussed and the Sub-Group agreed that it would be beneficial to explore how training could be developed to support both roles moving forward.

*Note: The Rally Accredited Trainers have already identified a need for both types of seminars with the update of the Rally Show Management seminar and creation of a Rally Chief Stewards seminar both on their development list.*
