June 2026 Progress Report from the PD Panel

The PD Panel has held 2 online meetings since the last Council meeting. We continue with plans to arrange PD Demo\Training days for handlers\ Judges & Helpers.

One proposal regarding the PD stake has been formulated, handlers consulted and is up for discussion at this meeting.

The lack of PD Championship judges (due to ages & health issues) has been given much consideration. We are constantly reviewing our Open PD judges. One has recently been assessed and approved to Judge at Championship level. There are two more possibilities awaiting assessment in the near future.

The Panel has increased its membership – Tom Davies is a very experienced competitor, helper & Judge who will bring a wealth of knowledge to the group.

The group remains available for advice & assistance to all competitors, societies, the Kennel Club and anyone who has an interest in PD.
